GLOBAL ENTREPRENEURSHIP

August 19-20, 2026 | Vancouver, Canada

INVITATION

We welcome to announce the 8th Edition of Global Entrepreneurship & Business Summit scheduled from August 19-20, 2026 in Vancouver.

The main goal of organising this event is to bring out the hidden talents, ideas and dreams of the people, who want to become entrepreneurs. This conference will provide an international platform to present all their skills, to meet the inspiring personalities, open-up new perspectives, design tomorrow's research agendas etc.

Women Entrepreneurship is one of the highlights of the conference. We know that being a woman is tough, but we groove in front of them for the effort they put to start a business on their own. In spite of gender inequality, the way they have chosen to grow is inspiring to many. So many women entrepreneurs are going to share the consequences they have faced to achieve this tag of women Entrepreneur. We hope that this will be the guidelines for so many people who are going to walk that way.

Entrepreneurship Summit 2026 promises that you will experience a great event. Starting a walk by knowing the experiences of other successful people will help you to reach your destination soon. We believe that this will be the best platform to know it. Then what are you waiting for, come let us meet there and learn and share more. .

Sincerely,
Entrepreneurship Summit 2026 | Organizing Committee
